

Milford Lodge 54 F&AM

Greetings Brethren,

I hope that everyone enjoyed the awards night and congratulations to all that received one. The Brothers who could not make it will be receiving it the mail. The shining star of the night was Brother Benjamin Pertuset who received his 65-year award from RWB Mike Owens.

Our Inspection is the 26th of this month in the Fellowcraft Degree. I hope some of the Brothers will take time and support us.

TO All:

Looking forward to May 2020, which will be our 200th celebration of being in Milford.

We have been in the process the past several years of updating our lodge facility. Our next major project is to replace our carpeting which we have had since 1982. The trustees are now accepting bids for the project.

We have received a donation from the Milford Eastern Star Chapter as they are merging with Amelia Chapter.

Please consider donating to this much needed project.

Fraternally,

Larry A. Gillinger

Treasurer
